Accessories - useful, helpful and good...

Original EHEIM accessories for fresh water aquariums

EHEIM fish feeder

- Actively ventilated feed chambers
- Additional “snacks“ possible at the touch of a button
- Function keys are splash resistant
- Includes batteries

EHEIM rapidCleaner – Glass scraper

- Removes algae and dirt quickly and effectively from aquarium glass panes
- Quick cleaning through extra large working width of 8 cm
- Unbreakable glass fibre bar

EHEIM MultiBox

- Practical, hook-on container for maintenance work and aquascaping
- 6 eyelets to hang on tools
- Dimensions (LxWxH): 310x187x101 mm
- The box can be filled with up to 2.5 l of water

EHEIM feedingSTATION

- Platform for EHEIM autofeeder
- Less food loss as food doesn't disperse
- Less expense due to less wastage

EHEIM thermopreset

- Preset aquarium heater 25°C
- Mechanical stability due to plastic protection
- A control light displays the heating function
- Secure fastening by means of the included suction cups

EHEIM Quick Vac pro – Automatic gravel cleaner

- You can clean the aquarium base easily, even between water changes.
- A filter container in the appliance keeps dirt away
- Batteries included

EHEIM aqua

The modular internal corner filter with click together filter containers. Ideal for beginners with small to medium sized aquariums. The filter is compact, so requires little space, offers high performance and is easily adjustable.

Fresh water LED lighting

Ideal for fish and aquatic plants

EHEIM powerLED+ fresh daylight

- Bright daylight with sunlight full spectrum
- Maximum energy efficiency (150 lm / W) and light output
- One EHEIM powerLED+ fresh daylight replaces one T5-/T8 fluorescent tube of the appropriate length including reflector
- A power supply unit is required for operation

LEDs for golden sunlight

EHEIM powerLED+ fresh plants

- Emphasizes blue and red colouring of fish and aquatic plants in a natural way
- Highly natural colour rendering (equivalent to sunlight in the aquarium)
- Very high energy efficiency and light output
- A power supply unit is required for operation

Original EHEIM accessories

- 1 Adapter Set: 1xT5, 1xT8
- 2 Distributor
- 3 Suspension wires
- 4 Double suspension wires
- 5 Mounting bracket
- 6 LEDcontrol
- 7 LEDcontrol+ (wireless)

EHEIM classicLED daylight/plants

- Available in four sizes
- Can be used variably
- Waterproof (IPx7)
- Cost effective LED for beginners
- Compact dimensions
- Suitable for all aquariums 550-1200 mm
- Easy assembly thanks to extendable bracket
